LOOKING BACK TO A 40 YEAR RIVALRY

This game marks the 101st anniversary of the first football game played between Sweetwater HS and Grossmont HS on October 1, 1920.

That first year, Grossmont's 13 member football team, led by Coach Becker, played its 4 games against National City (Sweetwater), Coronado, Army and Navy, and Escondido; despite losing all four games, the yearbook states, "Grossmont is due to have a winning team, when she battles on the Gridiron again."

Sweetwater's 14 man team, led by Coach Hoskins, played its 5 games against San Diego High, Grossmont, Army and Navy, Escondido High, and Coronado, winning two of the five.

That first game began a fierce yearly rivalry from 1920-1960, which is documented on the perpetual trophy we call the "Bucket Trophy". In 1923 and 1924, the two schools played twice each year with Sweetwater winning all four games.

Grossmont students were bused to the games in National City as they eagerly cheered for their team as they played the "Sweeties", as they were known at Grossmont. In the late 1950s, 10 buses transported 1,000 Foothillers to the Sweetwater game.

Amazingly, Grossmont High School and Sweetwater High School are both celebrating their 101st Anniversary in 2021.
